Supporting Excellence in Early Education

Thanks for Supporting Excellence in Early Education

Great Start to Quality would like to thank you for helping children thrive. With the aid of our reimagined process, all program types and philosophies can be **focused on helping Michigan children access safe, quality care and education.**

Quality Improvement Is Our Main Focus

GSQ's reimagined process is designed to be more inclusive and supportive of all program types and philosophies – from home-based child care to center care, preschool, schoolage, and more. We've reimagined our process to ensure it meets the needs of providers like you.

Our quality process emphasizes a continuous journey of quality improvement and is:

Self-Paced

**Supportive of
Different Program
Philosophies**

**Designed to
Encourage
Self-Reflection
on Indicators**

Our Reimagined Process

To learn more about our quality improvement process, please visit our website at **greatstarttoquality.org/quality-improvement-process** or scan the QR code below:

GSQ Support for You

Whether or not you are going through the Quality Improvement Process, now there are many ways we can support your program. You can take advantage of these services and resources to support your efforts to provide quality early education experiences.

**Free Early-Learning Resources/
Lending Library Materials**

Our extensive collection of early-learning resources and lending library materials are available through your Resource Center. They can enrich your curriculum and provide valuable educational tools for young learners.

Business Development

Our team of experts can offer guidance and support in business development to ensure your organization aligns with the latest best practices and meets all necessary requirements.

Professional Development

We provide professional development opportunities to empower you and your staff with the latest research-based strategies, teaching techniques, and knowledge to enhance your program.

Coaching and Support

Our experienced coaches are available to provide one-on-one guidance and support, helping you navigate challenges, implement effective strategies, and continuously improve the quality of your program.

Child Behavior Services for Families

We understand the complex needs of children and families. Our wide range of services, including child behavior support and resources, can assist families in accessing the best program for their child's well-being.

Stay Connected

Even if you are not currently undergoing the Quality Improvement Process, Great Start to Quality is here to provide valuable resources and support you. Stay connected to get the latest information:

“I feel like it’s a good program because it gives us incentive to be higher quality.”

Jilayne Thomas - Administrator
Ready, Step, Grow

“I think it’s a wonderful process to go through. It’s going to help you determine where you might need to improve in your program. And it gives you the access to a lot of resources and wonderful training for the staff. I would encourage anyone to do it.”

Tara Ball - Operations Manager/Site Leader
M&M Extra Care

“Great Start to Quality helped me set up my classroom environment, come up with policies that work for me and I’m really grateful for the way they helped my business grow.”

Princess Rankin - Program Director
Teddy Bear Daycare

“What I like about Great Start to Quality is the support they give, with their Quality Improvement Specialists, the lending library, the resource books.”

Tori Webster - Owner
Best Friends Early Childhood Education Center
